Monthly Report - September and October 1955

25X1A9a

In September and October my activities have been concerned primarily with three separate D/E responsibilities. My time has been apportioned among these approximately as follows:

<u>Activity</u>	<u>Time Spent</u>	
	<u>September</u>	<u>October</u>
Economic Defense Intelligence Committee	70%	38%
Administrative Action Program	16	37
Vital Documents Program	5	10
Miscellaneous	9	15
	<u>100%</u>	<u>100%</u>

Economic Defense Intelligence Committee

Only one meeting of the Economic Defense Intelligence Committee was held in October which somewhat lessened the workload on behalf of EDIC during the month. In contrast, EDIC activities required 70% of my time in September when the EDIC program was again resumed after a lapse of two months.

Following is a tabulation of EDIC papers which were disseminated in September and October. An asterisk indicates that the report was prepared in its entirety in the EDIC Secretariat. In other cases a cover sheet was prepared.
